A Corrigendum on

The Intestinal Roundworm *Ascaris suum* Releases Antimicrobial Factors Which Interfere With Bacterial Growth and Biofilm Formation

by Midha, A., Janek, K., Niewianda, A., Henklein, P., Guenther, S., Serra, D. O., et al. (2018) *Front. Cell. Infect. Microbiol.* 8:271. doi: 10.3389/fcimb.2018.00271

In the published article, there was an error in affiliations 2 and 3. We incorrectly stated they were: 2. Shared Facility for Mass Spectrometry, Berlin Institute of Health, Institute of Biochemistry, Charité – Universitätsmedizin Berlin, Corporate Member of Freie Universität Berlin, Humboldt-Universität zu Berlin, Berlin, Germany

3. Berlin Institute of Health, Institute of Biochemistry, Charité – Universitätsmedizin Berlin, Corporate Member of Freie Universität Berlin, Humboldt-Universität zu Berlin, Berlin, Germany

The correct affiliations appear in the author list above. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

The original article has been updated.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
